**Subject:** Data from first sampling event at Falcon Refinery TO 0088  
**Date:** Friday, December 13, 2013 2:36:00 PM

---

Good afternoon Bob

I have forwarded the sampling data from the Sept sampling event from the Falcon Site to the new Site owner's consultant. They have requested the sample locations (lat long) for the samples. Is that something that you can send me now?

Thanks
